(1) In any case in which a taxpayer has paid a disputed amount of sales or use taxes imposed or levied by the state or any taxing other authority in the state under protest pursuant to R.S. 47:1576, or any similar provision of any law or ordinance enacted by such taxing authority, and filed a suit for recovery of the disputed amount (hereinafter referred to as a "refund action"), the taxpayer shall be entitled to a refund of an amount equal to fifty percent (50%) of the aggregate of (a) the amount paid under protest by the taxpayer in such action and (b) the amount of interest actually earned or accrued on the disputed amount that was paid under protest by the taxpayer. A collection action shall not be considered as timely made or filed, for purposes of this Section, if such collection action constitutes (i) an assessment or other collection action that is arbitrary or that is based on an estimate by the taxing authority of the amount, if any, of sales or use taxes claimed to be due by the taxpayer, or (ii) an assessment or other collection action that is made or filed pursuant to or in reliance upon R.S. 47:1566, or any similar provision of any law or ordinance enacted by a taxing authority in the state."

AMENDMENT NO. 16

On page 5, between lines 16 and 17, insert the following:

"Section 4.A. There is hereby enacted the "Limited Louisiana Sales and Use Tax Amnesty Act of 2002".

B. Definitions. As used in this Section, the following terms have the meaning ascribed to them in this Section, except when the context clearly indicates a different meaning:

(1) "Amnesty program" means the Limited Louisiana Local Sales and Use Tax Amnesty Act of 2002".

(2) "Cellular equipment sales and use tax" means sales or use tax imposed or levied by the state or any political subdivision or other taxing authority in the state on or with respect to the sale or other disposition by a dealer of any cellular, PCS, or wireless telephone, or any electronic accessories that are physically connected with such telephones and personal communication devices used in connection with the sale or use of mobile telecommunications services, as defined in R.S. 47:301(10)(v).

(3) "Taxable period" means any taxable period that began on or after January 1, 2001, and ended on or before December 31, 2001, and for which a sales and use tax return is required by law to be filed with the state or any taxing authority.

(4) "Taxing authority" means the state and any state, parish, municipality, political subdivision, or other taxing jurisdiction or authority within the state of Louisiana.

(5) "Taxpayer" means any individual or entity subject to the cellular equipment tax by any law of the state of Louisiana, payable either to the state of Louisiana or one or more taxing authorities and collected by one or more taxing authorities.

C. The taxing authorities in the state shall establish an amnesty program for any cellular equipment sales and use tax that might be due by a taxpayer for a taxable period. Amnesty applications shall be prepared by the taxing authorities on or before August 1, 2002, and shall provide for specification by the taxpayer of the taxable period or taxable periods for which amnesty is being sought by the taxpayer.

D.(1) The amnesty program shall provide that upon written application by a taxpayer and upon compliance with the terms and provisions of the amnesty program for any taxable period for which amnesty has been granted, the taxing authority shall seek to collect only fifty percent (50%) of the amount of any cellular equipment sales and use tax and related interest as provided by law due as reflected on the amnesty application filed by the taxpayer, and no penalties of any kind or nature whatsoever shall be collected by the taxing authority. In addition, the taxing authority shall not seek civil or criminal prosecution for any taxpayer for the taxable period for which amnesty has been granted.

(2) Amnesty shall be granted only to those taxpayers applying for amnesty prior to December 31, 2002, who or which have filed the amnesty application, filed a tax return for each taxable period for which amnesty is requested, complied with the terms and provisions of this Act, and have paid the entire amount due as provided in this Section.

(3) Amnesty applications must include a written waiver of all rights, restrictions, and delays for assessing, collecting, or protesting taxes and interest due as set forth in R.S. 47:1562 through 1565 and 1576, or any similar provision of any law or ordinance enacted by a taxing authority, and the filing of such applications shall make the tax, interest, and penalty immediately due and payable and subject to the distraint procedure provided for in Title 47 of the Louisiana Revised Statutes, or any similar provision of any law or ordinance enacted by a taxing authority. However, no penalty due with respect to any cellular equipment sales and use taxes shall be collected by the taxing authority if the taxpayer complies with the provisions of the amnesty program.

(4) Amnesty shall be granted for only the taxable periods specified in the application and only if all conditions of the amnesty program are satisfied by the taxpayer.

E. Amnesty shall not be granted to any taxpayer who or which is a party to any criminal investigation or to any civil or criminal litigation that is pending in any court of the United States or the state of Louisiana for fraud in relation to any tax imposed by a law of the state of Louisiana or ordinance properly enacted by a taxing authority.

F. Amnesty shall be allowed even for a taxable period involved in an ongoing or unresolved review or examination of the taxpayer's return or books and records with respect to any cellular equipment sales and use tax.

G. Amnesty shall be granted for any taxpayer who or which has been previously notified by any taxing authority in writing of a failure to file a timely return or of an existing tax liability for any taxable period regardless of the amount of the liability. Amnesty shall be granted even if there exists a lien against the taxpayer's property, both movable and immovable, pursuant to R.S. 47:1577, or any similar provision of any law or ordinance enacted by a taxing authority. Amnesty shall also be granted even if the taxing authority has initiated proceedings under the assessment and distraint procedure pursuant to R.S. 47:1569 through 1573, or any similar provision of any law or ordinance enacted by a taxing authority, or if any taxing authority has entered into an installment agreement with the taxpayer. However, the taxpayer is obligated to pay any fees associated with these proceedings. Taxing authorities shall not collect any penalty of any kind or nature whatsoever that is or may be due to the taxing authority for any taxable period that meets the requirements of the amnesty program.

H. Amnesty shall be granted for any taxpayer who or which has not been previously notified by the taxing authority in writing of a failure to file a timely return or of an existing tax liability for any taxable period regardless of the amount of the liability.

I. Taxing authorities shall implement the provisions of this Section and shall adopt such rules and regulations as are necessary to implement the provisions of this Section no later than August 1, 2002. Any such rules and regulations shall be uniform in all respects and shall apply uniformly to all cellular equipment sales and use taxes imposed or levied by the taxing authorities."

HOUSE FLOOR AMENDMENTS

Amendments proposed by Representative Daniel to Reengrossed Senate Bill No. 36 by Senator Fields

AMENDMENT NO. 1

On page 1, delete line 7 in its entirety and on line 8, delete "Homeowners Association;" and insert in lieu thereof the following: "to create the Concord Estates Crime Prevention District;"

AMENDMENT NO. 2

On page 2, delete lines 1 through 25 in their entirety and insert in lieu thereof the following:

"§9091. Concord Estates Crime Prevention District

R.S. 33:9097 is all proposed new law.

A. Creation. There is hereby created within the parish of East Baton Rouge, as more specifically provided in Subsection B of this Section, a body politic and corporate which shall be known as the Concord Estates Crime Prevention District, hereinafter referred to as the "district". The district shall be a political subdivision of the state as defined in the Constitution of Louisiana.

B. Boundaries. The boundaries of the district shall be coterminous with the boundaries of the Concord Estates Subdivision in East Baton Rouge Parish as established in the official subdivision plat filed with the clerk of court of East Baton Rouge Parish.

C. Purpose. The purpose of the district shall be to aid in crime prevention and to add to the security of district residents by providing for an increase in the presence of law enforcement personnel in the district.

D. Governance. (1) The district shall be governed by a board of commissioners consisting of seven members as follows:

(a) The president of the Concord Estates Homeowners Association shall be an ex officio member.

(b) The board of directors of the Concord Estates Homeowners Association or its successor shall appoint one member.

(c) The member or members of the Louisiana House of Representatives who represent the area which comprises the district shall appoint one member.

(d) The member or members of the Louisiana Senate who represent the area which comprises the district shall appoint one member.

(e) The assessor for East Baton Rouge Parish shall appoint one member.

(f) The mayor-president shall appoint one member.

(g) The Metro Council member or council members who represent the district shall appoint one member.

(2) All members of the board shall own property within the district.

(3)(a) The terms of the members appointed pursuant to Subparagraphs (1)(c), (d), (e), (f) and (g) of this Subsection shall be concurrent with the respective appointing authority.

(b) The initial terms of office for the remaining members shall be two and three years. One member shall serve two years and one shall serve three years as determined by lot at the first meeting of the board. Subsequent terms shall be four years. Vacancies resulting from the expiration of a term or any other reason shall be filled in the manner of the original appointment. Members shall be eligible for reappointment.

(4) The members of the board shall select from among themselves a president and such other officers as they deem appropriate. The terms and responsibilities of officers shall be as provided by the bylaws of the board.

(5) The members of the board shall serve without compensation and shall not receive reimbursement for expenses.

E. Powers and duties. The district, acting through its board of commissioners, shall have the following powers and duties:

(1) To sue and be sued.

(2) To adopt, use, and alter at will a corporate seal.

(3) To receive and expend funds collected pursuant to Subsection E and in accordance with a budget adopted as provided by Subsection F of this Section.

(4) To enter into contracts with individuals or entities, private or public, for the provision of security patrols in the district.

(5) To purchase items and supplies which the board deems instrumental to achieving the purpose of the district.

(6) To perform or have performed any other function or activity necessary for the achievement of the purpose of the district.

F. Parcel fee. The governing authority of East Baton Rouge Parish is hereby authorized to impose and collect a parcel fee within the district subject to and in accordance with the provisions of this Subsection:

(1) The amount of the fee shall be as requested by duly adopted resolution of the governing authority of the district. The fee, however, shall not exceed one hundred dollars per parcel per year.

(2)(a) The fee shall be imposed on each improved parcel located within the district.

(b) For purposes of this Section, "parcel" means a lot, a subdivided portion of ground, or an individual tract and does not mean a "condominium parcel" as defined in R.S. 9:1121.103. Thus, with respect to condominiums, the fee collector shall impose the parcel fee on each lot on which condominiums are situated and not on individual condominium units.

(c) The owner of the parcel shall be responsible for payment of the fee. The tax collector shall submit the bill for a parcel fee which is to be collected from condominium owners to the condominium owners association and the association shall pay the fee from funds available for that purpose. The association shall remain liable for the entire fee until it is paid.

(3)(a) The fee shall be imposed only after the question of its imposition has been approved by a majority of the registered voters of the district voting at an election held for that purpose in accordance with the Louisiana Election Code. At least thirty days prior to any election held to approve imposition of a parcel fee, the board of commissioners shall mail notification of the upcoming election to each registered voter of the district and to the owner of a parcel if the owner is not a registered voter of the district. No other election shall be required except as provided by this Paragraph.

(b) The election on the question of the imposition of the fee shall be held at the same time as the 2002 congressional primary election is held in the parish.

(c) The fee shall expire two years from its initial levy but may be renewed as provided in Subparagraph (3)(a) of this Subsection at the mayoral primary election held in September 2004. The fee shall expire four years after each renewal unless renewed at each mayoral primary election held subsequent to the 2004 mayoral primary election.

(4) The fee shall be collected at the same time and in the same manner as ad valorem taxes are collected by the parish.

(5) Any parcel fee which is unpaid shall be added to the tax rolls of the city and shall be enforced with the same authority and subject to the same penalties and procedures as unpaid ad valorem taxes.

(6) East Baton Rouge Parish shall remit to the district all amounts collected not more than sixty days after collection. However, the parish may retain one percent of the amount collected as a collection fee.

G. Budget. (1) The board of commissioners shall adopt an annual budget in accordance with the Local Government Budget Act, R.S. 39:1301 et seq. The budget and all amendments shall be subject to the approval of the East Baton Rouge Metro Council.

(2) The district shall be subject to audit by the legislative auditor pursuant to R.S. 24:513.

H. Miscellaneous provisions. (1) It is the purpose and intent of this Section that the additional law enforcement personnel and their services provided for through the fees authorized herein shall be supplemental to and not in lieu of personnel and services provided in the district by the City of Baton Rouge and East Baton Rouge Parish.

(2) If the district ceases to exist, any funds of the district shall be transmitted to the governing authority of East Baton Rouge Parish and shall be used for law enforcement purposes in the district.

Section 2. The provisions of this Act shall become effective July 1, 2002. However, if the fee is not approved by a majority of the registered voters of the district voting at the 2002 congressional primary election, the provisions of this Act shall become null and void and of no effect."

Senator Fields moved to concur in the amendments proposed by the House.
